Maria Simeon-Godfrey

Full Stack Developer

07776651976 | m4mariaoni@yahoo.com

PROFESSIONAL SUMMARY

I am an energetic and enthusiastic female software engineer. I have some years of experience as a full-stack developer including designing, developing, and deploying software projects. I am an enthusiastic team player and deep creative thinker who has taken part in several substantial projects from initiation to successful completion in the financial and information technology service industry, building applications and APIs such as financial applications, eLearning, and others. I love learning new things but most importantly, I enjoy learning new technologies.

TECHNOLOGIES

Front End	CSS3, Bootstrap, HTML5, JavaScript, React, JQuery
Back End	JavaScript, C#,.NET,.NET Core, MVC, Entity Framework, JAVA, Spring boot, Dapper, REST API
